

**Administration of Daman & Diu**  
**Electricity Department**  
**Daman**

Date: - 25/04/2011.

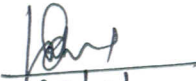

**PRESS RELEASE**

The UT Administration of Daman & Diu has decided to release the power connection to HT & LT Industrial Units whose application have been received in this Department up to 14<sup>th</sup> January'2011. This decision has been taken by the UT Administration, as all the Industries Association, Industrialists and Public Representatives have been requesting the Administration for the release of power to Industrial units for quite some time and the same has been recommended in the meeting held under the Chairmanship of Secretary (Power) with the representatives of Industries Associations. It has been decided to release the power on the following approved formula: -

- I. The balance load the HT & LT Industrial consumers shall be considered for release who have applied upto 31<sup>st</sup> December'2009 and have been distributed power as per earlier approved formulas.
- II. 35% of the power subjected to a minimum of 200 KVA to the HT Industrial applicants and 100% power to LT Industrial applicants, who have applied between 1<sup>st</sup> January'2010 and 14<sup>th</sup> January'2011 shall be considered for release.
- III. Actual release shall be made on availability and on completion of all the release formalities on most transparent manner with seniority.
- IV. If any consumer fails to avails release of power his application will be treated as disposed<sup>ok</sup> without any further claim of pendency.

The allocation of power shall be done as per approved formula on first come first serve basis in the most transparent and systematic manner.

The list of Applications forms received in the Electricity Department has been placed in the web site ([www.dded.gov.in](http://www.dded.gov.in)) of Electricity Department.
