

FORM - A

Application No. \_\_\_\_\_

GOVERNMENT OF INDIA

GOVERNMENT WATER AND POWER COMMISSION (POWER WING)  
 FORM TO ACCOMPANY THE APPLICATION FOR APPROVAL OF THE ELECTRICAL  
 INSPECTOR TO RELEASE THE H.V.E.H.V. APPRATUS INSTALLATION ETC.  
 UNDER RULE 63 OF THE INDIAN ELECTRICITY RULES, 1956.

1. Date of Application :
2. Probable date of completion :
3. Target date for commissioning :
4. Name of appratus Installations :
5. Drawing showing the location of :  
the appratus/Installations to be attached.
6. Type of Installations (such as :  
indoor, out door, pole mounted,  
platform).
7. Capacity of the installation, :  
its name plate details to be  
attached.
8. Schematic diagram of the ins- :  
tallation alongwith reference  
to the installation.
9. Details of the control and :  
switch gear provided.
10. Details of the protection :  
provided such as:-
  - a) Over Loading .....
  - b) Over heating .....
  - c) Explosion .....
  - d) Lightning .....
  - e) Ground faults .....
  - f) Short Circuits .....
  - g) Any others .....
11. Minimum clearance of the :  
relevant exposed live con-  
ductor for the ground
12. Whether efficient earthing :  
is provided the diagram of  
earthing electrodes and ear-  
thing system to be attached.
13. (a) Copy of results of HV/ :  
E.H.V. test carried out for  
each appratus to be enclosed.  
  
(b) An attached copy of the :  
test results and/or manufac-  
turer's test certificates to  
be enclosed.

14. Whether all relevant provisions of the Indian Electricity Rules 1956 have been complied with. :
15. Whether the installations has been examined duly joined and properly Chekced. :
16. A copy of test results in respect of the following to be furnished :
  - 1) Insulation resistance - with suitable meggers :
    - a) Between H.V./E.H.V. to earth :
    - b) Between L.V./Earth :
    - c) Between L.V./& H.V./E.H.V. :
  - 2) Earth Resistance :
    - a) Individual electrodes. :
    - b) Combined electrodes :
    - c) Insulation oil test :  
( Dielectric Strength )
17. Any other Feature :
18. Any other Remarks :
